

# NATIONAL YOUTH LEADERSHIP TRAINING **UNIFORM STANDARDS**

W. D. BOYCE COUNCIL | BOY SCOUTS OF AMERICA

The Boy Scout and Venturing Field Uniform (Class A) is an important method of Scouting in our organization. NYLT requires that all staff and participants bring a complete Field Uniform consisting of a shirt, pants/shorts, belt, and socks. The Field Uniform will be worn throughout the course. It is highly recommended that two complete Field Uniforms are brought for cleanliness reasons. Laundry capabilities will be provided, but depending upon the weather, drying time may hinder the use of a Field Uniform.

In addition to the Field Uniform, two conference t-shirts and a conference hat will be supplied as part of the Activity Uniform. The conference hat will be worn at all times outside of the campsite and dining hall. The conference t-shirt will be worn during activity times and/or down time.

Additional t-shirts, shorts/pants and socks conforming to the Personal Equipment List requirements are desirable for down time in the campsites, for the overnight outing, and during the conference service project.
